## English

Mera naam bilqis yakub rasool  
Mujhse hui bas ek hi bhool  
Ki jab dhhundhhte thhe vo ram ko  
Mera naam bilqis yakub rasool  
Mujhse hui bas ek hi bhool  
Ki jab dhhundhhte thhe vo ram ko  
To maen kharhi thhi rah mein

Pehle ek ne puchha na mujhe kuchh pata thha  
Dujey ko bhi mera yehi javab thha  
Fir itno ne puchha ki mera ab saval hai ki

Jinhe naaz hai hind par vo kahan the  
Jinhe naaz hai vo kahan hain

Mera naam shriman satyendra dubey  
Jo kehna thha vo keh chukey  
Ab parhey hain rah mein  
Dil mein liye ik goli

Bas itna kasur ki hamne likha thha  
Vo sach jo har kisi ki zuban thha  
Par sach yahan ho jatey hain zahriley

Jinhe naaz hai hind par vo kahan the

Jinhe naaz hai vo kahan hain

Mujhe kehte hain anna manjunath  
Maine dekhi bhatakti ek laash  
Zamir ki beech sarhak lakhimpur kherhi

Adarsh phasan jahan naaron mein  
Aur chor bharey darbaron mein  
Vahan maut akhlaq ki hai ik khabar baasi

Jinhe naaz hai hind par vo kahan hain  
Jinhe naaz hai vo kahan hain

Mazha nau aahe navleen kumar  
Unnees june unnees var  
Unnees unnees unnees unnees  
Unnees vaar

Unnees unnees unnees unnees  
Unnees unnees unnees unnees  
Unnees unnees unnees unnees  
Unnees vaar

Loto dehaat kholo bazaar  
Nallasopara aur virar  
Chheeno zameen hamse hamein  
Bhejo pataal

Jinhe naaz hai hind par vo kahan hain  
Jinhe naaz hai vo kahan hain.
