

Bipasha Lyrics

English

Come on yeah come on, just like that

Parvaan shama jalaayein,
Jal jaaye na, bipasha
Baithe hain jaal bichaaye,
Phas jaaye na, bipasha

Oh everybody everybody
Aaja nach le zara sa
Kar le kar le tu kar le tu thoda tamasha
Jaanu main jaanu main toh
Lyricsbogie.com
Jaanu tu hai mujhse judda sa
Nahin main nahin tujhe nahin
Doongi, jhootha dilaasa

Never gonna get her baby
Never gonna get her baby,
Bipasha bipasha
Aaja main sikha doon
Pyaar ki bhasha, bipasha bipasha
Rab ne hai fursat mein tarasha,
Bipasha bipasha
Aaja main sikha doon pyaar ki bhasha
I'm not so easy, i'm not so easy
You can never ever get bipasha

Aaja saanson se meri jal jaayega
Aaja mere husn mein doob jaayega
Aaja na zor koi chal paayega
Aaja baahon mein aake pachtaayega
Samjha le nadan dil ko
Kar door aab yeh mushkil ko hoo
Jisne bhi mujhpe dil haara
Keh laayega woh bechara haan

Never gonna get her baby
Never gonna get her baby,
Bipasha bipasha
Aaja main sikha doon
Pyaar ki bhasha, bipasha bipasha
Rab ne hai fursat mein tarasha,
Bipasha bipasha
Aaja main sikha doon pyaar ki bhasha
I'm not so easy, i'm not so easy
You can never ever get bipasha

I'm not so easy, i'm not so easy
You can never ever get bipasha

Bips you got the eyes, you got the lips
Come'on shake shake shake your hips
You got the moves, you got the grooves

Ho ab khud pe nahin hai kaaboo
Jaadu hai tu bipasha
Tu humnashi bipasha
Tu humnawabi bipasha
Tu gulfiza

Ja ja na ishq-vishq kar paayega
Ja ja mere saath mein na jee paayega
Ja ja be-maut muft mar jaayega
Ja ja choote hi shama jal jaayega
Samjha le nadan dil ko
Kar door aab yeh mushkil ko hoo
Jisne bhi mujhpe dil haara
Keh laayega woh bechara haan

Never gonna get her baby
Never gonna get her baby,
Bipasha bipasha
Aaja main sikha doon
Pyaar ki bhasha, bipasha bipasha
Rab ne hai fursat mein tarasha,
Bipasha bipasha
Aaja aaja main sikha doon

Pyaar ki bhasha
I'm not so easy, i'm not so easy
You can never ever get bipasha

Bips you got the eyes, you got the lips
Come-on shake shake shake your hips
You got the moves, you got the grooves

Ho ab khud pe nahin kaboo
Jaadu hai tu bipasha.
