## English

Ram bhaile jogiya lakhan bairagiya  
Ki duno bhaiya ho gaile fakir  
Garwa me daar lihale tushi ji ke malwa he  
Are duno bhaiya mangale ajodhiya me bheekh

Sarson ke maar delas lahi e bhai  
Ki bathua bigadle ba khet

Ohi brindavanawa me pakali bairiya  
Ki radha tode dariya jhukaay  
Aa ekohu bairiya radha todohu na pawali ki he  
Are kaanha dihale basiyan nu re bajay

Sarson ke maar delas lahi e bhai  
Ki bathua bigadle ba  
Are beta ke patahu bigadle ba ki he  
Are koliya me kholole bate ho duar

Demons in my dreams at night  
Lyricsbogie.com  
Working my mind like a scythe  
Filling up my thoughts with dread  
Working this land until i am dead

I got a devil in me feelin  
Sending shivers down my spine  
Shaking my soul to a grind  
Making me run, i'm outta time  
I been running like there is coming a war  
Sliding down with my cheap guitar  
From bombay to zanzibar  
Dont think i am getting very far

Hurawa baran tor jurwa patarki  
Ki munari baran karhiaay  
Are akhiya me dele ba julmi kajarwa ki he

Are maare chhaiyalawan ke jaike jaan

Sarson ke maar delas lahi e bhai  
Ki bathua bigadle ba khet  
Beta ke patahu bigaadle ba ki he  
Are koliya me kholole bate ho duar

I lift my hands to bring to life  
This land of mine in time  
Of strife work to make two end meet  
And feel the soil beneath my feet

I am working my fingers to the bone  
This land is hard as dry as stone  
But i will be slaving till i am done  
Oh lord please don't leave me alone.
