

Black On Black Lyrics

English

Black on black
Sweater te gucci
Way too exclusive
Baddie hai boujie
You know how the thing goes bang
Nothing to f*ck with
She got wu-tang

Mujhe call kare daily
Roz kehti hai main veli
Roz kehti hai main sad hoon
Roz kehti main akeli

Roz bhejti hai snaps mujhe
Khaas mere paas time kam aur

Woh bhi jaldi hota pass jab tu sath
Lekin aaj mer baat pe kar ghaur?
Are you sure kay tu bhutt nai hai?
Can we smoke some more?
Ya phir bol de mood nai hai

Bolu sach janeman
Kuch bhi jhoot nai hai
Hum rude nai hai
Hum too real
Mein ab bhi high zone
Dushman saray bygones
Humse zyada high kaun?
Hype aese jaise naya iphone
Inspiration rappers ki
Youngsters ka icon
Rap game ka gaitonde
Eye contact, teri gully wali ghoorte
Boys khulla ghoomtay

Khulla phoonktay
Mera yakeen kar
Duniya bari two-faced

Kyun ke
I lie down where the truth is
Adatain kharaab
Par main dil ka naram
Chars karte garam
F*ck fame, no sharam

Lose nahi
Karta focus mein chokkas hoon
Woh boli kha kasam
Mein bola maa kasam
Woh mujhe na pasand
Mera puff puff pass slide
Through the tress
When we smoke on that grass

Sifar paanch ek
High zone! Where we at
Day one boys wild as a wolf pack
Gazi tera bhai camouflage backpack
Launday mere bohat pagal
Launday mere saare crack

Black on black
Sweater te gucci
Way too exclusive
Baddie hai boujie
You know how the thing goes bang
Nothing to f*ck with
She got wu-tang

Mere launday saare gone hain
Tujhe pata ke hum kaun hain
What you know about us?
What you know about us?
What you know about us?
What you know about us?

Woh mujhe streaks bheje sober roz
Ek hi replay mein sleepless aur over-dosed
No one knows kay hosh kuch khas bacha nai
Aur wajah bhi koi aam nai ke swag tera palang tod

Eh!
Button khol ke mein salu nai banuga
Crazy for you par mein ullu nhi banuga
Dapper sa rapper mein karun real talk
Aisi baatein karunga to chullu mein marunga
Eh puff pass kar dutch master
Yani fast kar kay speed 100 pe
Speaker ko blast kar
Nascar tu, mein jimmie johnson
Teri cheeks choco chips
Aur main cookie monster

Aye haan mein haan mila loon
Teri ankhain kame hame ha
Jaane ja ko pasand
Nai to samne nai aane ka
Sorcerous level 100 se plus
Par nazon se mare gi
Main parcha kara doon kya
Jhatt se gira doon main crush tere
Bas kar
Damn e koh pure shehar ki hum chatt par
Bhar ke tabhi dhadkan hai tez
Body ka buzz
Jaise purple sa haze

Beta straight shoot karen grey goose
Demon jab bhi bajay
Teri bitch de ri moves
Meri vibe use hit kare smooth
Bite kia lip pe wo s**t kar ri lose
Ghaas phoonk ke main hua johnny sins
Baby bae you know what i mean
Main kanye tu kim swag aint a thing
Itna koi luquor ke we could just swim

Launday de re tujhe cringe trips
Chal chalin high zone hote lit wit
Yeah we could get freaky not a lil bit
On fleek lag re ye tere fringes
Damn

Last week se ye dm mein nasty
Chalay weed chalin shrooms chalay hash bhi
Tu bhi aaja sath le aa teri bestie
We can do the three-way classy sassy!
