## English

This is the story of a blacksheep  
Black dot black fiend  
Black heart black schemes  
Ye hai kahani ek chal ki  
Meri aaj ki kahani tere kal ki..galtii ki..

Ye hai kahani ek chal ki  
Meri aaj ki kahani tere kal ki..galtii ki..

Haina na aaya mujhe parakh lena  
Ankhe meri fadki na  
Yahi tu mera sabak hai na  
Maa khane mein namak hai na  
Phir yeh kaise bhatakte haan

Roti teri satak ke  
Ye pani kaise gatak te haan  
Kabhi kabhi i start loosening my senses  
Inke jitne wazan ke main  
Bees maaru benchpress

Screws loose dedo wrenches, pen ghiss  
Likh ke main mitadeta kaali yaari ke stench

Ye blame game hai ya laen daen  
Lyricsbogie.com  
Hai mera sab kuch same  
Aur farziyon ka gain gain  
Mushkil se rakkhu apna  
Sane brain..main frame  
Badal jaise fatu barse  
Views i make fame rain

Drizzle brizzle tabhi ye gaye fisal fisal  
Sona chahe deke peetal  
Pachti nayi hai little little

Gaadi chalti na chalaai jaati hai  
Inko khudki nahi milti hai pilayi jaati hai mufti

Maana maartha phir bhi kabhi na harta  
Main nidus this is sparta kuch bhi nahi udhar ka  
Akela hi main char sa kandho pe thoda bharsa  
Na pyaar lu udhaar ka apno ke liye guard sa

Laad saab, pala jaise main laad saab  
Karunga na maar kaat, jab tak mera art saath sach  
Marathaon dhaagon se bandha paragon  
Lambi race bhaga main dekha na kabhi pehla kaun

Dil ka maila kaun  
Jhela mein to phir kehla kaun  
Chaal chalega pehla pawn  
I win u never spawn

Hate list pe main 8 bit se  
Teraflow main na lit hua ek hit se  
A listers ki playlist pe  
Night shift se life shift  
Do breakfast mera snake pit mein

Mera dil na maane hate likhde  
Yeh baithe baithe karke click  
Jab koi click pe peeche bait likhe

Achilles heel nahi hai hercules feel  
Real band fake nikle khatam hui reel  
Sabse pehle faadi jaati sabse seedhi keel  
Pehle kagaz kki sharam thi  
Aur ab khatam huyi deal

Do samadhan mere sabse hi kalesh kyon  
Inko dikkat hu to sabse pehle main hi pesh kyon?  
Chalna jinke saath unke saath inki race kyon?  
Bahar saanp milke aap badle inke bhes kyon?

Sabliminal sab lame n null  
Sab limit se zyada na hota handle chall  
Inke sach mein sach nahi ye scandal  
Meri anti baatein suni  
Launde ban gaye fal girl

Cheer leaders weird leaders real geedad  
Beef hua ban so dont beef with a veel breeder  
Breezer peeke bhi you feel ether  
Survival of the realest me  
Bacha na kabhi real cheater

Diss track bro that shit wack bro  
I get that bro you miss that show  
Do me toote jaise kitkat bro  
You naver made me money  
And am still ready to split that dough

Tic tac tue i see u bro  
Inko phirse bideo mein  
Crowd wala shot wot do

Kya tum asliyat mein thot wot ho  
Tabhi ab main nahi milta  
Tum bilkul bhi na hot wot ho

Mere saath to ye bagal mein the

Halwe badle khud  
Ya kaisi dalle se akal leke  
Plane bhi laye tu nakal leke  
Mujhe seekhna padega  
Ki shakal se kaise nasal dekhe

Extra extra saare lelo paper  
Jale jaise dikhe paise ladd mare neighbour  
Maine khud dekha dil pehle dil dekar  
Jab ghusa jungle mein bahar aya main fur lekar

Ye diss treck nahi sirf dissapointment  
Bina jale sabke aage male nakli diss oilment  
Ass kissing taki inku mile diss points 10  
Victim card hit ki hi wajah se hue destroy main

Pen se royce but five eight point five  
You baited me tu hate you  
Against you i wall not lie  
I am a phonix and i will not die  
My legacy will keep me alive

Kalamkaar
