---

## English

Galti na ho jaye kitte haan taan  
Khushi de vich fire karde  
Kudi akdaan naal karde je naa  
Taan umar bhar vair karde

Galti na ho jaye kitte haan taan  
Khushi de vich fire karde  
Kudi akdaan naal karde je naa  
Taan umar bhar vair karde

Kabbe je subha de tussi jatt ho  
Bahle munhfatt ho  
Main isse gallon rehdi dardi  
Naale teri ego aali gaddi speed  
Nitt jaave phad di

Taan hi kardi vi howaan  
Tainu pyar chobran  
Main kade show ni kardi  
Kardi vi howaan tainu pyar chobran  
Main kade show ni kardi

Oh asle da aunda jivein moh  
Ni tera vi ohvein moh kari da  
Rahe jehdeyan kaaman ch chitt raazi  
Ni kamm bas oh kari da

Oh asle da aunda jivein moh  
Ni tera vi ohvein moh kari da  
Rahe jehdeyan kaaman ch chitt raazi  
Ni kamm bas oh kari da

Ni tu kehdiyan gallan de vich pai gayi ladayi  
Leke beh gayi banave kyun troll jatt da  
Hunda patthar bhajji hoyi lakeer warga  
Ni har bol jatt da

Dekh teri tasveer bina labbna ni kakh  
Dil khol jatt da  
Dekh teri tasveer bina labbna ni kakh  
Dil khol jatt da

Afeem khaye bina ankh nahiyon kholde  
Kauda rahon bolde ki laake karni ae yaarian  
Dekh marda ubale sadda khoon ni  
Chadheya junoon ni chah maarde udariyan

Afeem khaye bina ankh nahiyon kholde  
Kauda rahon bolde ki laake karni ae yaarian  
Dekh marda ubale sadda khoon ni  
Chadheya junoon ni chah maarde udariyan

Jo 3 peedhiyan ton challe sarpanchi  
Ve jaave tere sir chadhdi

Taan hi kardi vi howaan  
Tainu pyar chobran  
Main kade show ni kardi  
Kardi vi howaan tainu pyar chobran  
Main kade show ni kardi

Khaan peen da taan baneya trend ni  
Main karda defend ni mehnatan vi jaari ne  
Siron 7 band wali kudi labhde  
Lohe de chane chabbde kayi maar gaye udari ne

Khaan peen da taan baneya trend ni  
Main karda defend ni mehnatan vi jaari ne
