

Boli Sawan Ki Raat Lyrics

English

Boli sawan ki raat badi pawan hai baat
Boli sawan ki raat badi pawan hai baat
Ho rang khushiyo ne pahle gulabi
Ho hamne dekhi hai hone wali bhabhi
Ho hamne dekhi hai hone wali bhabhi
Boli sawan ki raat badi pawan hai baat
Rang khushiyo ne pahle gulabi
Ho hamne dekhi hai hone wali bhabhi
Ho hamne dekhi hai hone wali bhabhi

Sukh hai bhabhi chain hai bhabhi
Maa hai bhabhi bahan hai bhabhi
Din hai bhabhi rain hai bhabhi
Din hai bhabhi rain hai bhabhi
Teri bhabhi meri bhabhi
Meri bhabhi teri bhabhi
Apni bhabhi aisi bhabhi
Lakshman ki thi jaisi bhabhi
Ho hamne dekhi hai hone wali bhabhi
Ho hamne dekhi hai hone wali bhabhi

Bhaiya ki barat chalegi
Bhaiya ki barat chalegi
Saari janta sath chalegi

Taro ki chunri pe lipat kar
Chand chalega raat chalegi
Chand chalega raat chalegi
Fir sambadhi ki galiyo mein jakar
Nachenge bhangda punjabi
Ho hamne dekhi hai hone wali bhabhi
Ho hamne dekhi hai hone wali bhabhi

Chanak uthe barkha ke ghunghru
Machli uthi hai raat ki payal

Ho payal ho payal raat ki payal
Dil ki dhadkan aise badhi hai
Bina hawa ke udta aachal
Ho aachal ho aachal udta aachal
Devar bhabhi sang sang nache
Ho gaye devar bhabhi sharabi
Ho hamne dekhi hai hone wali bhabhi
Ho hamne dekhi hai hone wali bhabhi

Ho mohan lal ji hai sohan lal ji bolo lal ji
Are yar kanhaiya baitha chup hai bhaiya
Mere bhaiya ha ha tera bhaiya
Ha ha mera bhaiya
Bhaiya bhaiya bolo bhaiya
Are bolu kya mai are bol kanaiya
Aaj ki raat ha ha kal ki baat
Aaj ki raat kal ki baat
Bhabhi ne kya tumme dekha
Tumne bhabhi mein kya dekha
Maine dekha tune dekha
Maine dekha tune dekha
Isne dekha usne dekha
Kya nahi hai isme dekha
Kya batau kya kya dekha

Maine tumhari bhabhi dhundi
Tum dhund ke lao meri bhabhi
Boli sawan ki raat badi pawan hai baat
Rang khushiyo ne pahle gulabi
Ho teri dekhi hai hone wali bhabhi
Boli sawan ki raat badi pawan hai baat
Rang khushiyo ne pahle gulabi
Ho hamne dekhi hai hone wali bhabhi
Boli sawan ki raat badi pawan hai bat
Rang khushiyo ne pahle gulabi
Ho hamne dekhi hai hone wali bhabhi.
