Hello?
Tony aa gaya
Aa gaya

Jahan bhi jaaun log photo photo kehte hain
Ladkiyan kehti aap hamare dil mein rehte hain
Youtube pe waise million views liye baithe hain
Hot cappuccino cool jaise cafe frapay hain

Aise hain aa ha waise hain
Dekho sapne bhi aate kaise kaise hain

Kabhi waqt guzaaro hamare bhi saath
Bolo performance ke kitne paise hain

Beta mere baaju mein meri beti hai khadi
Subah subah se autograph lene hai khadi
Kitna hai ladi dikhao na ghadi
Bala ki khoobsurat isliye nakchadi

Tere hi gaane pe beta yeh to naache hai
Ghar se leke car tak tere hi gaane baaje hain
Bhar bhar ke paisa lutate hum shadi pe
Tujhko pata nahi beta hum toh kitne raje hain

Aa, teri photo khichegi
Aa, tu nachdi phiregi
Aa, teri photo khichegi
Photo teri kar dunga instagram pe post

Saambh saambh ke rakhna tu
Backup leke rakhna tu
Backup leke rakhna photo ho jaye na delete
