

Cant Stop Wont Stop Lyrics

English

I am a gully boy
Made em do talli dance
These rappers really man
Softer than jelly jam
Ha hum jeete
Kutto pe cheete
Yeh saare feeke feeke
Kaam kare free ke free ke
Jyaada na baatein
Kaafi hai ha gaane
Mulke machaate
Kaafi hai anjaane
Zamaane ko sikhaane
Humko jaane sabhi jaane
Na bahaane karke maane
Bas thikaane hai lagane

Cant stop wont stop
Never ever
Gettin gwap stay on top
Forever ever

Cant stop wont stop
Never ever
Gettin gwap stay on top
Forever ever

Peeta kaala manala
Mein peeta kala coffe
Ladke poore rockstar
Lete tension hardly
Put it this side
Mumbai till i die
Middle fingers to the sky
Circle always high

Dekho dekho dekho hum machaane aaye
Chahe rukana par kabhi na yeh ruka paaye
Forever and ever stopping we never
Staying rock steady thru thru
The stormy weather

Cant stop wont stop
Never ever
Gettin gwap stay on top
Forever ever

Cant stop wont stop
Never ever
Gettin gwap stay on top
Forever ever.
