A one killer kehne ko
How i come now i go
Kaun hoon main
Even i don't know

Carlos hey carlos ho
Boom boom bang bang
Get set go carlos

Tokyo delhi london
Ho ya barbados
Crime ki duniya ka
Main hoon the big boss
Chehra hai mera
Ek worldwide mistry
Mera naam bhi liya
Jisne hua history
Kabhi authar hoon
Main to kabhi hoon fulltoss
Call one and only carlos

Maa hai meri lolly aur
Baap hai mera pop
Suck karta main lollypop
Aur rehta hoon on top
Top top top top

Carlos hey carlos ho
Boom boom bang bang
Get set go
Chehre hain satrah sau
A one killer kehne ko
How i come now i go
Kaun hoon main
Even i don't know

Carlos hey carlos ho
Boom boom bang bang
Get set go
Maut potty aur carlos
Kahin aur kabhi
Bhi aa sakte hain.
