

Chale Aao Lyrics

English

I feel so lonely
Everyone around is happy
Oh i feel empty
I feel so lonely

Barely breathing
Can't believe it's real
I feel so empty
Oh i feel so lonely

You are not by my side
Thought you'll be here all my life
Your words like a song on my mind
Plays all the time

Searching for you through the haze of today
Tomorrow feels miles away
Without you how do i wake up everyday

Ek baar aur chale aao, chale aao
Ek baar phir mujhe chaho, mujhe chaho
Ek baar aur chale aao, chale aao

Ek baar phir mujhe chaho, mujhe chaho

I feel so lonely
Starting to sink in now slowly
You were the one and only
I feel so lonely
Starting to sink in now slowly
You were the one and only

Darling don't go out of my sight
I'm feeling like holding you tight
Give me a chance
I'm gonna make everything right

I will do just as you say
My love is here to stay
You are the wish for which to god i pray

Ek baar aur chale aao, chale aao
Ek baar phir mujhe chaho, mujhe chaho

Ek baar aur chale aao, chale aao
Ek baar phir mujhe chaho, mujhe chaho
Ek baar aur chale aao, chale aao
Ek baar phir mujhe chaho, mujhe chaho.
