

Channa Ve Lyrics

English

Mere raanjhana...
Mere...raanjhana...

Kyun dikhe mujhe tu sirhane mere
Soch ke teri baatein hum muskurane lage

Haaye haaye haaye
Kyun dikhe mujhe tu sirhane mere
Soch ke teri baatein hum muskurane lage
Dil se nikal ke aahein labzon pe aane lage
Kaisi teri khumari hai hum gungunane lage

Channa ve, channa ve
Kuch toh hai tere mere darmiyaan kyun lage
Channa ve, channa ve
Kuch toh hai tere mere darmiyaan kyun lage
Channa ve...

Ho...

Haaye...bhull gaya jagg saara tere naal pyaar ae
Saari saari raat mujhe tera intezaar ae, ho...

Ho...bhull gaya jagg saara tere naal pyaar ae
Saari saari raat mujhe tera intezaar ae
Akhiyon mein dekho meri teri hi pukaar hai
Tu meri dua mein base itni si guhaar hai

Dil se nikal ke aahein labzon pe aane lage
Kaisi teri khumari hai hum gungunane lage

Channa ve, channa ve
Kuch toh hai tere mere darmiyaan kyun lage
Channa ve, channa ve
Kuch toh hai tere mere darmiyaan kyun lage

Channa ve, channa ve
Channa ve, channa ve, channa ve
Kuch toh hai tere mere darmiyaan kyun lage
Channa ve, channa ve
Kuch toh hai tere mere darmiyaan kyun lage

Channa ve...
Channa ve...
Channa ve!
