## English

Chhama chham chhai chhai  
Nache ta tha thai thai  
Chhama chham chhai chhai  
Nache ta tha thai thai  
Chori chori ladke se ladki mili  
Surajmukhi jaisi ladki khili  
Chori chori ladke se ladki mili  
Surajmukhi jaisi ladki khili  
Pyar ka rang ye maine dekha naya  
Tere haatho mein hi haath mera likha  
Dayya dayya dayya dayya dai  
Chhama chham chhai chhai  
Nache ta tha thai thai  
Chhama chham chhai chhai  
Nache ta tha thai thai

Gore ango se sato rango se  
Mehandi ka rang pyara pyara  
Tere labo ki lali niral  
Rangi hua nazara nazara  
Deewani ho gayi  
Nashe mein kho gayi  
Teri gulabi baato mein baato mein  
Mahfil mein aa gayi aate hi cha gayi  
Aayi chamak sabki  
Aankho mein aankho mein  
Dayya dayya dayya dayya dai  
Chhama chham chhai chhai  
Nache ta tha thai thai  
Chhama chham chhai chhai  
Nache ta tha thai thai

Pyari tu sabki ladki gazab ki  
Lakho mein tu akeli akeli  
Raato ki jagi dil tera mange

Har kuwari ki hatheli hatheli  
Tere khyalo mein tere sawalo mein  
Duba rahe dil mera dil mera  
Teri hi raho mein teri hi baho mein  
Uljha rahe dil mera dil mera  
Dayya dayya dayya dayyya dai  
Chhama chham chhai chhai  
Nache ta tha thai thai  
Chhama chham chhai chhai  
Nache ta tha thai thai

Chori chori ladke se ladki mili  
Surajmukhi jaisi ladki khili  
Chori chori ladke se ladki mili  
Surajmukhi jaisi ladki khili  
Pyar ka rang  
Ye maine dekha naya
