Hum bekhudi mein ghum hain  
Humein kuch khabar nahi hain  
Ab tuhi humein bata de kyaa galat hain kya sahi hain  
Rukha apni zindagi ka  
Rukha apni zindagi ka kisi jaan par mod de  
Chhode teri galiyan maikhana chhod de  
Tode teri kasam yaa paimana tod de

Ye jo saaz aa rahi hain ye sharaab ka karam hain  
Ab nam hain naa ye palke na dil mein koi gam hain  
Ye jo saaz aa rahi hain ye sharaab ka karam hain  
Ab nam hain naa ye palke na dil mein koi gam hain  
Peete hi dil deewana boya hi tera sitam hain  
Mehkaa huaa ye paani har dard ka marham hain  
Peete rahe yaa peeke  
Peete rahe yaa peeke jal jana chhod de  
Chhode teri galiyan maikhana chhod de  
Tode teri kasam yaa paimana tod de

Teri bewafaiyo ne peena sikha diya hain  
Meri maikashi ne tujh bin jeena sikha diya hain  
Teri bewafaiyo ne peena sikha diya hain  
Meri maikashi ne tujh bin jeena sikha diya hain  
Meri humnazar mai meri hum khabar bhi mai  
Iss aakhari safar mein meri humsafar bhi mai  
Samjhe isse yaa khudko  
Samjhe isse yaa khudko sajana chhod de  
Chhode teri galiyan maikhana chhod de

Chhode teri galiyan maikhana chhod de  
Ab tuhi batta meri jaan  
Ab tuhi batta meri jaan kidhar jaana chhod de  
Tode teri kasam yaa paimana tod de  
Tode teri kasam yaa paimana tod de  
Chhode teri galiyan maikhana chhod de.
