

Chori Chori Chori Lyrics

English

Hayo rabba hayo rabba
Hayo rabba hayo rabba
Hayo rabba hayo rabba
Chori chori chori chori dil le gaya
Hayo rabba hayo rabba le gaya
Chori chori chori chori dil le gaya
Hayo rabba hayo rabba le gaya
Chori chori chori chori dil le gaya
Hayo rabba hayo rabba le gaya
Dil me basake mujhe apna banake
Sona sapna dikhake dil le gaya
Chori chori chori ha chori chori chori
Chori chori chori dil le gaya
Chori chori chori ha chori chori chori
Chori chori chori dil le gaya
Chori chori chori chori dil le gayi
Hayo rabba hayo rabba le gayi
Chori chori chori chori dil le gayi
Hayo rabba hayo rabba le gayi
Dil me basake mujhe apna banake
Soni sapne dikhake dil le gayi
Chori chori ha chori chori
Chori chori chori dil le gayi
Chori chori chori ha chori chori chori
Chori chori chori dil le gayi

Mahive tu kitna sona hain
Mera mann mona hain
Tu mera hona hain
Mahive tu kitna sona hain
Mera mann mona hain
Tu mera hona hain
Oh...
Tune khankaya hain mera
Jiya chain liya bechain kiya

Pehali najar me he
Dard yeh kitna de gayi
Chori chori chori ha chori chori chori
Chori chori chori dil le gayi
Chori chori chori ha chori chori chori
Chori chori chori dil le gayi
Hayo rabba hayo rabba
Hayo rabba hayo rabba
Hayo rabba hayo rabba

Soniye ni teri sanso ki khushbu
Teri bato kaa jadu karta hain bekabu
Soniye ni teri sanso ki khushbu
Teri bato kaa jadu
Karta hain bekabu soniye...
Jane jana daiya kab pyar huwa
Kab kaha kaise ikrar huwa
Ankhiya milake mere ankhiyo se
Kuchh kuchh mujhse keh gaya
Chori chori chori ha chori chori chori
Chori chori chori dil le gayi
Chori chori chori ha chori chori chori
Chori chori chori dil le gayi
Chori chori chori chori dil le gayi
Hayo rabba hayo rabba le gayi
Chori chori chori chori dil le gayi
Hayo rabba hayo rabba le gayi
Dil me basake mujhe apna
Banake soni sapne dikhake dil le gayi
Chori chori ha chori chori
Chori chori chori dil le gayi

Chori chori chori ha chori chori chori
Chori chori chori dil le gayi
Hayo rabba hayo rabba
Hayo rabba hayo rabba
Hayo rabba hayo rabba.
