

# Chuski Lyrics

## English

Aeee aeee

Yeah aaaa!

Kitno'n ko tune hai khush kiya  
Maar-maar k chuskiyaa'n  
Mujhe woh dekh k kehte hain k  
Joh bhi kia tune khud kiya  
Jaise hu mai salman khan  
Kitno ko maine hai push dia  
Mene na baby hai kuch piya  
Sachi mene nahi kuch kiya

Maal zyda phoonkhlia sunne laga nucleya  
Main hoon jungli sher rappero'n ko khaa k thook dia  
Mother dairy pe tu mil kisi din kyunki sab jante hain  
Tune maa ka nahi doodh piyaa pee k aagya tu sutte free k  
Kutto'n ko hote ni hazan paranthe ghee k  
19 ki umarr mein mera gana tha zee pe  
Phir bhi main karta ni khudki tareefein

Burahhh...

Hum hain jamnapaari cheeteh

Burahhh...

Gir-gir k hain seekhe

Tere jese mene kitne ghaseetey

Poore mohalle ko sunaai di thi cheekhein

Tere karmo'n ka likh lia lekha maine

Tu dekh sakta ni joh kuch hai dekha maine

Faddu baato'n pe ni reptaa tha sekha mene

Daaru peeu'n jaise koi le rakha hai theka maine

Baatein suno meri jaane-jana chalta rehega mera aana jaana

Harjas kabhi teri maanega na

Mujhko pasand bas khaana khaana

Rapper hu main jaana maana

Mujhko pasand bas gaana gaana  
Maaro na aise bahana-wahana  
Mujhko pasand nahi na na na  
Logo'n ki baato'n mein aana naah  
Kisi k saath bhi jaana naah  
Agar meri baat ko maana naah  
Baad mein pachtana naah  
Pachtane ka faayda ni  
Koi bachane aageya ni  
Bomb hain mere gaane paar yaar tera alkaida ni

Main failata khushiya'n baby  
Main failata raita ni  
Baatein meri shaitani  
Main baat kisi ki sehta ni  
Naa teh ulta chashmah hai  
Aur naah main tarak mehta bhayi  
Na tu hae babita  
Aur main itna vella baitha ni  
Sach baat hai  
Mujhe nahi baby views ki parwah  
Kisi ko main use ni karta  
Mujhe hai bas tere nud\*s ki parwah  
Harjas kare gandi baatein  
Uske toh main muh bhi ni lagta  
Parr likhta ae badia launda  
Usko koi chhu bhi ni sakta  
Pyaar kar payega  
Cheere bina kon seena?  
Zindagi mein main ni dikhta  
Mian bann gaya john cena

Sir chadh k tu horn baja nahh  
Ho itna horny nahh  
Main ziddi ladka mene harkatein ye chhodni nahh  
Gaane hain galat tera baapu maare chapple'in  
Chhpd bhagwaan harjas naam japp le  
Ye jo main hungaame karu jagg mein  
Rishtedaaro'n ki dekho jaa k shaklein  
Bottlaa'n tu chakk le bina kisi fu\*\* k

Beech sadakk pe jd gatakk k  
Rokk k gaadi hum oaidal bhatakte  
Subah hangover mein kharche bharu main sabb k  
Maaru bhapke vodka mera mouth freshner  
Uthaalu godd mein tujhko  
Main tera brock lesner  
Mujhse nah hota jaa k paalika  
Bhai thoda less kar versace mere  
Gale mein jaa meri aukaat guess karrr..
