

Close To Me (Tu Hai Ki Nahi) Lyrics

English

Tu hai ki hai nahi..
Tu hai ki hai nahi..
Tu hai ki hai nahi..
Tu hai ki hai nahi..

Your smile shining on my face
I found it better to be lost in you
Rather try and be the real me
My mind was racing against my heart
Hold you tight and feel the love
Let me live with your beautiful soul

Your smile shining on my face
I found it better to be lost in you
Rather try and be the real me
My mind was racing against my heart
Hold you tight and feel the love
Let me live with your beautiful soul

Main aas-paas tere
Aur mere paas..
Tu hai ki nahi
Let me feel your love
Let me feel your love
Tu hai ki nah
I want you close
To me all the time
Tu hai ki nahi
Let me feel your love
Let me feel your love
Tu hai ki nahi
Let me feel you close to me

Ho...
Tere sapno ke bina main

Aakhen band na kar sakoon
Tujhe kho ke is jahan mein
Meri rooh na paaye sukoon

Inn aankhon ki nami ka
Ehsaas hai teri yaadein
Aaj main hoon adhura
Kyon ki na rahi teri aadatein

There are no words to define you
How beautiful you are
In your arms i found a place
I feel there was some care

I was chasin' your shadow

To a world life got insane
I just want to be the reason
That will take away all your pain

Tu hai ki nahi
Let me feel your love
Let me feel your love
Tu hai ki nahi
I want you close
To me all the time
Tu hai ki nahi
Let me feel your love
Let me feel your love
Tu hai ki nahi
Let me feel you close to me.
