

# Clout Lyrics

---

## English

Aajkal ke launde album na drop karein  
Gaane ek aadhe ke hi bas pop karein  
Rapper chahe jitne bhi crop karien  
Badshah ke hi gaane bas top karien

Billboard teri bahar wali  
Bandi ke sheher mein  
Teri bahar wali mujhe inbox kare  
Gore kaale sab mere gaanon pe bop karein  
Gaane mere superhit  
Filmein chahe flop karein

Bollywood mein baitha acting nahi aati boy  
Baaki rapperon ki acting nahi jaati boy  
In jaison ke bas kat te chalaan hai  
Gangsterpanti bas video mein aati boy

Bandiyon ke sath selfie daalein karke pout  
Fatt jaati inki dekhke show pe mere crowd  
They dont even know what the fu\*k it is about  
Yeh gaana hateron ke liye hai shout out

I got clout  
Aur fame bhi hai boy  
Fat-fat-fatt jaati yahan  
Yeh koi game nahi boy

I got clout  
Aur fame bhi hai boy  
Fatt jaati yahan  
Yeh koi game nahi boy

I got clout  
Aur fame bhi hai boy  
Fat-fat-fatt jaati yahan  
Yeh koi game nahi boy

I got clout  
Tu hit ho jayega  
Isliye leta tera name nahi boy

30 40 launde roz khade ghar ke gate pe  
Macha hai bawaal mere naye show ke rate pe  
Laat maari tere favourite rapper ke pet pe  
Ghutno pe nai bete maafi maango mujhse let ke  
Kya hi mila sote hue sher ko ched ke  
Competition saara rakh diya hai udhed ke  
Paise kharchun jaise paise ugte hon ped pe  
Badboyshah bete op mera gameplay

Bandi ek baar mille bhool nahi paati  
Mature baatein kar usse wo school nahi jaati  
Usko jo chahiye wo tere paas nai  
Bandi phool jaisi teri par wo fool nai chahti  
Har ek baari gaadi meri change hoti hai  
S class g class kabhi range hoti hai  
Kehte hain meri deemandein badi strange hoti  
Par cheezein jo bhi maangun woh arrange hoti hain

I got clout  
Aur fame bhi hai boy  
Fat-fat-fatt jaati yahan  
Yeh koi game nahi boy

I got clout  
Aur fame bhi hai boy  
Fatt jaati yahan
