Jithe khade munda thalda toofan goriye
Tu rakh maan goriye

Oh jatt gunna da shokeen sirr parche sangheen
Gunna da shokeen sirr parche sangheen
Rehndi piche piche uniform khakhi aa

Vaily jatt kolo gaani kitho phire bhaldi
Ni tenu leke dena czechoslovakia
Jatt kolo gaani kitho phire bhaldi
Ni tenu leke dena czechoslovakia

Oh mitran to choore kitho bhaldi ae kach de
Chak strap billo pala vaily touch de
Tenu bhar ke revolver hathi main fadawa
Behnde behnde gitteyan ch maar kise khach de

Te baki chadd jasse jatt te..

Oh addi jattan wali karke dikhauni paindi aa
Gun nokdi te gall samjhauni paindi aa
Eithe mandi ni duniya manoni paindi aa
Gall sachiyon kise ne kude aakhi aa

Vaili jatt kolo gaani kitho phire bhaldi
Ni tenu leke dena czechoslovakia
Ho jatt kolo gani kitho phire bhaldi
Ni tenu leke dena czechoslovakia

Oh radke radke radke

Radke radke radke
Tu gehda sehda maar jattiye
Ho gehda sehda maar jattiye
Gaddi saheliyan naal full karke

Ho pz 32 bor da rakh
Dashboard te bharke
Je koi 3-5 karde
Ni je koi 3-5 karde
Sidhi maar sale de bharke

Oh tere utte mohar jatt di
Oh tere utte mohar jatt di
Oh tere utte mohar jatt di
Rehna chadd de rakane dar dar ke.
