## English

Dil ki flute bajaye jaa  
Joh dil mein aaye gaye jaa  
Come let the music play  
Come dance the night away  
Come let the music play  
Come dance the night away  
Fikar shikar na kar ve  
Masti mein gote khaye jaa

Ah you people on  
The floor right now  
Ah you people on  
The floor right now  
Ah you people on  
The floor right now  
Get your body down  
On the floor right now

Ek baar hi jeena hai  
Ek jaam kya peena hai

Puri kardo shaam gulabi
