Hun kinna ve mainu maarenga

Qismat ton haari muqaddaran de  
Naal main lad di aa  
Jiddan rakhenga reh lungi  
Vichhode ton dardi aa

Qismat ton haari muqaddaran de  
Naal main lad di aa  
Jiddan rakhenga reh lungi  
Vichhode ton dardi aan

Saari duniyan ne ek dooje nu  
Andaron khaya  
Sab galti ya rabba teri  
Tu ishq kyun banaya

Saari duniyan ne ek dooje nu  
Andaron khaya

Sab galti ya rabba teri  
Tu ishq kyun banaya

Oho raatan nu chete kardi aa  
Andaron main thardi aan  
Kitte waade nu jhoothiyan kasaman nu  
Har pal main jardi aan

Qismat ton haari muqaddaran de  
Naal main lad di aa  
Jiddan rakhenga reh lungi  
Vichhode ton dardi aa

Qismat ton haari muqaddaran de  
Naal main lad di aan  
Jiddan rakhenga reh lungi  
Vichhode ton dardi aan

Ratul ve in saalan vich na tu  
Samajh mere aaya  
Tera jinna kitta ve sajjna  
Tu ohna tadpaya

Utton main bhavein hasdi aa  
Andaron main baldi aan  
Jad vi teri ankhan chon  
Tera dil main padh di aan

Jiddan rakhenga reh lungi  
Vichhode ton dardi aa

Main chauni aa meri markat  
Te utte koi vi na rove  
Meri te mere yaar di  
Bas ek hi qabar hove  
Bas ek hi qabar hove.
