

# Darmiyaan Lyrics

---

## English

Baby...baby...  
Let me shine on you  
Like a sun that shines and  
Makes the sky so blue  
Baby..baby  
You blow my heart away  
Like the wind that blows  
On the stormy night..

Darmiyaan na rahe ab hawaa..  
Yun lipat mere tan se tu aaj  
Reshe reshe ki doori na bardasht ho  
Intzar lage ab sazaa  
Yun na bahka hamen is tara  
Aa rahi hai humen to hayaa  
Aise ehsaas se dar lage ab humen  
Naa de sholon ko tu ab hawaa..  
Darmiyaan na rahe ab hawaa..

Naa churaa nazar..naa dhaa kahar  
Aaj armaan sawarne to de  
Naa badha kadam, yun atka hai dum  
Thodi baatein guzarne to de  
Ye muradon se aayi hai raat  
Le le haathon mein makhmal se haath  
Reshe reshe ki doori na bardasht ho  
Intzar lage ab sazaa  
Darmiyaan na rahe ab hawaa...

Dheeme dheeme se aati hai hoton pe  
Baaten dilon ki beliyaa..  
Chupke chupke se milti hai resham si  
Lab se labon ki narmiyaan...narmiyaan  
Ghune lagee hoon tujhme hi main yun  
Is kadar tujhse doori na bardasht ho

Aaj hone de meethi khata...
