Haye haye re haye  
Das gayi das gayi  
Bas gayi bas gayi  
Mere mann mein najre teri  
Bas jaan nikal gayi meri  
Nazare haye re haye haye re haye  
Haye re haye haye re  
Bas gayi bas gayi

Duniya se chori  
Khud se chhupake  
Duniya se chori  
Khud se chhupake  
Tu aise aaya ke  
Darr gayi main to  
Are marr gayi main deewane  
Tu sharmayi deke duhayi  
Aise ghabrayi ke  
Darr gaya main to  
Marr gaya tu kya jane  
Mujhe kuchh ho  
Gaya ye gaya wo gaya  
Haye re das gayi das gayi  
Nagan si zulfe teri  
Bas jaan nikal gayi meri  
Main gaya haye re  
Haye haye re haye  
Haye re haye haye re  
Bas gayi bas gayi

Sham suhani rut mastani  
Sham suhani rut mastani  
Jhoome jawani hoke deewani  
Mere paas na aa o hasina  
Pyar ki barate pahali mulakate  
Chhoti chhoti raate  
Lambi lambi baate  
Bada mushkil ho gaya jeena  
Mera dil kho gaya ye gaya wo gaya  
Haye re bas gayi bas gayi

Mere mann mein najre teri  
Bas jaan nikal gayi meri  
Main gayi haye re haye  
Haye re haye haye re haye haye re  
Das gayi das gayi  
Das gayi das gayi  
Nagin si zulfe teri  
Bas jaan nikal gayi meri  
Main gaya haye re  
Haye haye re haye  
Haye re haye haye re  
Das gayi das gayi la la la..  
Das gayi das gayi la la la.
