Aashiq mere maine
Tujhse pyaar kiya re

Daiya daiya daiya re
Daiya daiya daiya re
Daiya daiya daiya re
Aankhon se chori
Chori izhaar kiya re
Daiya daiya daiya re
Daiya daiya daiya re
Daiya daiya daiya re
Daiya daiya daiya re

Main nazre milaaon
To kaise milaaon
Mujhe sharam aane lagi hai
Na dekho to tujhko
To kaise bachaon
Meri jaan jane lagi hai
Tere chaahaton main

Chanakti hi jaye
Na mane nigodi yeh payal
Mujhe bekarari satane lagi hai
Kiya ishq ne mujhko ghayal
Daiya daiya daiya re
Daiya daiya daiya re
Daiya daiya daiya re
Daiya daiya daiya re

Tera naam leke

Guzarte mere din
Tadap ke guzarti hai raate
Mujhe yaad aate
Hai ab to hamesha
Shararat bhari teri baatein
Nayi pyaas banke
Mohabbat mein shola
Labo pe bhadakta hi jaaye
Deewana bada hai
Maanao to kaise
Mera dil dhadakta hi jaaye
Daiya daiya daiya re
Daiya daiya daiya re
Daiya daiya daiya re
Daiya daiya daiya re
Tujhko chaaha maine
Tera deedar kiya re
Daiya daiya daiya re
Daiya daiya daiya re
Daiya daiya daiya re
Daiya daiya daiya re
Aashiq mere maine
Tujhse pyaar kiya re.
