

De Taali Lyrics

English

Hey ha ho hey ha ho hey ha ho
Hey ha ho hey ha ho hey ha ho
Hey ha ho hey ha ho

Chaudi chaudi sadak nahin
Koi dhadak ya bhadak nahin
Oonche oonche ghar nahin
Lafda jhagda darr nahin
Shor sharaaba yahan nahin
Khoon kharaaba yahan nahin
Kehne waale jail kahein
Par yahan badi khush haali
De taali de de de de taali
De taali de de de de taali
Chaudi chaudi sadak nahin
Koi sadak ya bhadak nahin
Oonche oonche ghar nahin
Lafda jhagda darr nahin
Shor sharaaba yahan nahin
Khoon kharaaba yahan nahin
Kehne waale jail kahein
Par yahan badi khush haali
De taali de de de de taali
De taali de de de de taali

Hansi udaaye yaar hamari
Baat koi na maane
Hum kaise andar aayein hain
Koi bhi na jaane
Baahar jeena hai to
Yaaron paisa chaahiye
Khaana peena hai to
Yaaron paisa chaahiye
Naukari maangoon to
Sarkaar paisa maange

Khaali ghoomoon to
Dostyaar paisa maange
Taxi chalaaoon
Hawaldaar paisa maange
Ghar jo jaoon to
Parivaar paisa maange
Kisi bank mein mera koi khaata nahin
Koi fokat mein khaana khilaata nahin
Apna to ye kehna hai
Humko andar rehna hai
Apna to ye kehna hai
Humko andar rehna hai
Yahan to apni zindagi hai
Tension se khaali

De taali de de de de taali
De taali de de de de taali
Hey ha ho, hey ha ho

Bina degree ke kaam yahan sabko mile
Kaam karte hi daam yahan sabko mile
Yahan time se roti sabko mile
Daal chaawal boti sabko mile
Bina bhaade ki kholi sabko mile
Arre yaaron choli sabko mile
Haan aaj kadin bhi achchha din hai
Sundar bada mahoorat hai
Tum jaise logon ki pyaare
Baahar bahut zaroorat hai
Baahar jao jaake duniya
Walon ko samjhaao
Subah shaam marne
Walon ko tum jeena sikhlao
Jo bhi baahar jaayega
Vo jeevan bhar pachhtaayega
Jo bhi baahar jaayega
Vo jeevan bhar pachhtaayega
Baahar jaake milegi
Humko nafrat gurbat gaali
De taali de de de de taali

De taali de de de de taali

Chaudi chaudi sadak nahin
Koi dhadak ya bhadak nahin
Oonche oonche ghar nahin
Lafda jhagda darr nahin
Shor sharaaba yahan nahin
Khoon kharaaba yahan nahin
Kehne waale jail kahein
Par yahan badi khush haali
De taali de de de de taali
De taali de de de de taali
Hey ha ho hey ha ho
Hey ha ho hey ha ho
Hey ha ho hey ha ho.
