Lyricsbogie.com  
Tu nahin tho kaun hai mera  
Bin tere khojatha  
Bore mein ho jatha  
Life hoti ek dhum khali re  
De taali taali de  
Lifes just a holiday  
Tu nahin to kaun hai mera  
Mar seeti seeti maar  
Lifes just a party yaar  
Tu nahin to kaun hai mera..

Tu mere life ki shining hai  
Wining hai dining hai woh kale baadal  
Tho tu silver lining hai  
Tu yeh mujh ko hasaatha hai  
Tu hi basaatha hai  
Mujh ko mannabhatha hai  
Nagma sunata hai  
Dhoop mein baarish hai  
Meri har khwaish hai na hi koi tujh si dilwali re...  
De taali taali de  
Lifes just a holiday

Tu nahin to kaun hai mera  
Mar seeti seeti maar lifes just a party yaar  
Tu nahin to kaun hai mera

Tu na humse khafa ho na  
Na bewafa hona  
Tu zindagi se na rafa dafa hona  
Jo khetha koi ho humse  
To keh thi hoon kasam se  
Tu humse rootha to mar jayege gum se  
Door tu na jaana chaahe jo jurmaana  
Maar le thappad ya tu gaali de...  
De taali taali de lifes just a holiday  
Tu nahin tho kaun hai mera  
Mar seeti seeti maar  
Lifes just a party yaar  
Tu nahin tho kaun hai mera

Taali de de taali  
De tali taali de  
De taali de tali  
De tali taali de  
De taali de tali.
