Banke titliyaan
Sat bijliyaan sat bijliyaan
Sat bijliyaan sat bijliyaan
Dekho

Sath hai apne sat rahega
Ab ye daru insha allah
Ab kya dar hain jo bhi hoga
Achha hoga insha allah
Ye bhi anokhi baat hain
Band baza sath hain
Nikli khud barat hain
Wallah wallah are wallah wallah
Wallah wallah are wallah wallah

Botlo se peeke kamal karungi
Kamal karungi kamal karungi
Allah bottlo se
Botlo se peeke kamal karungi
Kamal karungi kamal karungi
Dhamal karungi
Hungama khub karungi
Jitna piungi utna jiungi
Are botlo se
Botlo se peeke kamal karungi
Kamal karungi dhamal karungi
Allah bottlo se

Jo mujhse lega panga
Ye use to ab na chodega
De dana dan lat de ghusse
Uske sare dant todega
Phir uski murgi si gardan marod denga
Haye gardan marod denga

Mai rani hu dil ki
Log chidi ke gulam
Hath safai dekh ke
Karte hai sab salam
Bawan patto ki maharani
Mujhko kahte hai sabhi jani
Bawan patto ki maharani
Mujhko kahte hai sabhi jani
Jani jani jani

Parathe chahiye karate nahin
Dudh chahiye sarab nahin
Malai chahiye hame maal nahin
Kele chahiye hame tela nahin
Rukhi dedo sukhi dedo
Roti dedo boti de do
Gazar dedo muli dedo
Aalu de do gobhi dedo
Laddu de do peda de do
Puri de do halwa de do
De do kuchh de do
Hame bukh lagi hain kuchh de do
Hame bukh lagi hain kuchh de do
Dekho chal padi saat bijliyaan
Sat bijliyaan sat bijliyaan
Dekho chal padi saat bijliyaan
Sat bijliyaan sat bijliyaan.
