

Demon Lyrics

English

Sez on the beat boy
Shaitaani shaitaani

Ek demon mere andar
Karta hai woh knock knock
Aana chahta hai woh bahar
Kehta hai he just wanna talk
So i just let him out
Suno woh kya kehta hai
Ghabrao mat iss ek jaisa
Aap main bhi rehta hai

Demon mere andar
Karta hai woh knock knock
Aana chahta hai woh bahar
Kehta hai he just wanna talk
So i just let him out
Suno woh kya kehta hai
Ghabrao mat iss ek jaisa
Aap main bhi rehta hai

Mere andar laalach
Mere andar paap hai
Mere andar jhaako
Mere andar aap hai
Mere andar boht saare
Boht burre khwaab hai
Mere jo ye sar chadke
Bolti sharab hai

Ha hoon main sharaabi

Peeta hoon apni kamayi ki
Pehli baar pitaji ki baatli churai thi
Dusri baar jigri mujhe yaar ne peelai thi
Ab ho gaya main aadi

Roj feeling leta aachai ki

Mai gunhegaar hoon

Mujhe dedo saza
Par saza wahi de
Jisne gunhaah na kiya
Apni antar aatma ko
Marne na diya

Main isa masih nahi
Par tumhara charvaah
Padhe maine granth
Par bhagwaan na mila

Har saal jalte raavan ko
Phir ram na mila
Na mila koi santh
Aur shaitaan hai mila
Mujhe kille boht
Par na koi shikhwaah

Ek demon mere andar
Karta hai woh knock knock
Aana chahta hai woh bahar
Kehta hai he just wanna talk
So i just let him out
Suno woh kya kehta hai
Ghabrao mat isse ek jaisa
Aap main bhi rehta hai

Demon mere andar
Karta hai woh knock knock
Aana chahta hai woh bahar
Kehta hai he just wanna talk

So i just let him out
Suno woh kya kehta hai
Ghabrao mat isse ek jaisa
Aap main bhi rehta hai

Bhagwaan koi hai
Toh dekhta kyun nahi
Ye sab usne hai banaya
Ye baat kisne kahi
Aur usko kaise hai pata ki
Ye baat ekdum sahi

Maine suna jhoot hai
History jo kitabo main likhi hai

Jaha dharam nahi
Logo wahan jung nahi
Jaha insaan ko
Baatne wala koi rang nahi
Jaha barood nahi
Jo barbaad nahi
Mere khyaal main
Upar wala rehta wahi
Swarg hai

Par jab aankhe khuli
Saamne wahin narak hai
Sapne aur hakikat mein
Bas yahin farak hai

Iss jeevan ka kya arth hai
Ya sab kuch bhi vyarth hai
Chodo iss baat ko
Woh karna chahta nahi koi tark hai

Ha toh main kya keh raha tha
Ek shaitaan mere andar
Kabse reh raha tha
Abhi bahar aake usne jo bayaan kiya
Sach boliyo kya tunne uspar dhyaan diya

Ek demon mere andar
Karta hai woh knock knock
Aana chahta hai woh bahar
Kehta hai he just wanna talk
So i just let him out

Suno woh kya kehta hai
Ghabrao mat iss ek jaisa
Aap main bhi rehta hai

Demon mere andar
Karta hai woh knock knock
Aana chahta hai woh bahar
Kehta hai he just wanna talk
So i just let him out
Suno woh kya kehta hai
Ghabrao mat iss ek jaisa
Aap main bhi rehta hai

Shaitaan kehta gunhaah kar
Shaitaan kehta gunhaah kar
Bhagwaan ki na sunna kar.
