

Desi Hip Hop Lyrics

English

Desi hip hop, desi hip hop
We don't stop!
Desi hip hop, desi hip hop
Desi hip hop, desi hip hop
We don't stop!

You know we're the best now
Kar lo arrest now!
Aa gaya zamaana saada, tussi karo rest now
Paaya bohata gand, dukana karo band
Ego tuhada vaddi aa toh vadda saada ---

You know we're the best now
Kar lo arrest now!
Aa gaya zamaana saada, tussi karo rest now
Paaya bohata gand, dukana karo band
Ego tuhada vaddi aa toh vadda saada mann

Yeah!
Manj musik
Imma bringin best of the best
You all ready!

Roachkilla lets go!
Yo yo sab ton wang wadda tera rasta me katta
Kaali billi da na bad luck mera naal panga
Hatthan vich bandook la rakha
Karaan number two da dhandha
Bachcha bachcha mera fan tera fan ik pakka
Maaru me to chakka jaise cricket ke maidan me
Eminem, 2pac, nicki minaz
Rappers ki ye shaan hain
Issey kehte hain hip hop
Kyunki public toh nadaan hai
Baaki other rappers ko ye jungle ka elaan hai

You know we're the best now
Kar lo arrest now!
Aa gaya zamaana saada, tussi karo rest now
Paaya bohata gand, dukana karo band
Ego tuhada vaddi aa toh vadda saada ---

Raxstar
Uh band karlo apne boothe
Sachiyaa sunaiyaan te darr gaye saare jhoote
Music vich mehnat main keeti hun 12 saal lai
Veer mera naal koi heer mere naal nai
How many times have i've done this now
Shut this down, run this town
So many people proud of you boy
Cause you came from bottom of the underground
Lyrics di koi lorh nai likhda main aap
Mere kalam vich itta zor eh
Nyaaniya da main baap!

You know we're the best now
Kar lo arrest now!
Aa gaya zamaana saada, tussi karo rest now
Paaya bohata gand, dukana karo band
Ego tuhada vaddi aa toh vadda saada ---

Hey yo all!
Last name singh,
First name still irrelevant
Everybody & they bibi wanna rap,
But they stay hella bent
Because they wanna be on top,
Don't wanna take the stairs
Think everybody's competition,
Only hatin cause they scared
Now shake hand and shake your mind
I don't know who is rappin better
I'm focused on my ground

Work work all haanji on my shirt
Put ice water on your head

I'm asking where your money has go
Is it the only hashtag i care you do do talk is nicked
I forgive racist on your loves
There is world beyond selfies
And follow the shit is hollow like the brownies are from east
Say them brownies are neither
Seedhi saadi ohdi...goli khadi na see ya'll
Khushi khushi on the air
Beats are like booties smakin 'em
Your words paint a picture we double tappin 'em
Mitran da naam chalda askin 'em price poet

Ho savera hote assi door chaleya hun
Assi rukna hi nai
Assi rukna hi nai
Tere gaane aage hun lag gi brake
Saada mukna hi nai
Saada mukna hi nai

Ho savera hote assi door chaleya hun
Assi rukna hi nai
Assi rukna hi nai
Tere gaane aage hun lag gi brake
Saada mukna hi nai
Saada mukna hi nai

Aaya jabse industry mein hilli saari industry
Main rapperon ko maarun,
Jaise i'm on a killing spree
Ek ke baad ek brake fail rap gaadi mein hun tel
Main hoon bada menhga, tu on sale
Main first tu fail
Din gin baaki karle koi chalaaki
Par tera career tujhe mill nahin paayega
Main gaad dunga aisa tujhe hil nahin paayega
Main faad dunga aisi beta sil nahin paayega

You know we're the best now
Kar lo arrest now!
Aa gaya zamaana saada, tussi karo rest now

Paaya bohata gand, dukana karo band
Ego tuhada vaddi aa toh vadda saada ---

Yeah, yeah!
All i hear is hip hop this and hip hop that
Tell the truth daug
Can none of you home boys can rap
You don't got the fresh style
No lyrics so no competition
Prepare these rappers for their death
I'm the mortician
Shuru ton i was focused on my craft
Always stay tune to the 808 base club
Always knew that dj's were suppose to scratch
And selectors then run the tracks
Bring it back!

Commin' through versatile side
Only mess with the best cause
Rest is the mess so we let go
Mainu nahi lagta koi rokunga hun
A simple is guy from all over the world
How did you join that bring you whole team
I'm not talkin to you all over the..

You know we're the best now
Kar lo arrest now!
Aa gaya zamaana saada, tussi karo rest now
Paaya bohata gand, dukana karo band
Ego tuhada vaddi aa toh vadda saada ---

Uh!
Aakhiri yaa pehla, kaafi main akela
Respect badeyan nu, bandera nu daba akela
Cd wala rap na karo tussi rehan do
Khed main khidavaan tuhaanu,
Akkad bakkad catch my flow
Jabse kara maine rap shuru
Tabse dar rehta hai mera sabki aakhon mein
Apno ka apna tera bura sapna main

Jiska tu fan uski fatte meri baaton se
Baate suno meri dhayan se
War karun main tum pe main sabdo ke baan se
Taango ke niche niklegi dharti
Aur bacha kucha niklega teri gaa...
Aage wali line saari sunu slow motion mein
Lene wala nakli rapperon ki bina lotion ke
Dard in aankhon mein dekh aankhein khol ke
Sookha sookha bada rookha hai na beta bol de
Ye hai election drama hone wala hai
Desi hip hop ka obama hone wala hai
Teri didi meri bahot badi fan hai
Toh khush ho ja pagle tu mama hone wala hai
Namaste papa

You know we're the best now
Kar lo arrest now!
Aa gaya zamaana saada, tussi karo rest now
Paaya bohata gand, dukana karo band
Ego tuhada vaddi aa toh vadda saada ---

You know we're the best now
Kar lo arrest now!
Aa gaya zamaana saada, tussi karo rest now
Paaya bohata gand, dukana karo band
Ego tuhada vaddi aa toh vadda saada mann.
