

Desi Thumka Lyrics

English

Mainu pehn pulekhe tere
Main vekhaa jehdiyan raavan
Mainu pehn pulekhe tere
Haan pehn pulekhe tere

Mainu pehn pulekhe tere
Main vekhaa jehdiyan raavan
Mainu pehn pulekhe tere
Haan pehn pulekhe tere

Kangnaa khad kandi ja
Akhiyan matkandi ja
Langhdi sharmandi tu
Kol aandi jaa

Maar chhadappa paundi ja
Jhanjhar chhadkaundi ja
Laal paranda paa ke ni tu
Desi thumka laa

Maar chhadappa paundi ja
Jhanjhar chhadkaundi ja
Laal paranda paa ke ni tu
Desi thumka laa

When you come around
And you pop it and drop it
Baby i'm like don't you stop it
Just keep on moving that body

When you come around
And you pop it and drop it
Baby i'm like don't you stop it
Just keep on moving that body

Amreeki chasma te uk wali boli ae

Facebook te beh ke assan
Teri kundali kholi ae

Amreeki chasma te uk wali boli ae
Facebook te beh ke assan
Teri kundali kholi ae

Khich khich tasveeran
Zanjeeran saade dil utte paundi
Seene agg laundi
Chhadeyan de ni tu dil dharkandi jaa..

Maar chhadappa paundi ja
Jhanjhar chhadkaundi ja
Laal paranda paa ke ni tu
Lyricsbogie.com
Desi thumka laa (x2)

I be like osama at the end comrade
I rock and roll, stop and go
Gimme a mic and i'mma
Rock this sh*t move show
I like my beats fast, bass low
Master chiefin'em, hey low
Aye yo! Drop down baby
Shake it like j low

See they se i'm not gotta
They se i'm not hood
But i'mma pretty boy
And for me that's pretty good
Sit back and no stressin'
Cause i am legend

Nakhre ne bhahre te aape thori halki ae
Nache te lagdae jivein bottle koi chalki ae

Nakhre ne bhahre te aape thori halki ae
Nache te lagdae jivein bottle koi chalki ae

Likh likh o msg kar kar callan

Apne card mukaave
Chhad de tu siyapaa ajj
Saade naal bb pin vataa

Maar chhadappa paundi ja
Jhanjhar chhadkaundi ja
Laal paranda paa ke ni tu
Desi thumka laa

Maar chhadappa paundi ja
Jhanjhar chhadkaundi ja
Laal paranda paa ke ni tu
Desi thumka laa

Maar chhadappa paundi ja
Jhanjhar chhadkaundi ja
Laal paranda paa ke ni tu
Desi thumka laa

O tera desi thumka..
Ni tera desi thumka...
