Han han.....

Vas jave tu meri ankhya de vich dolna  
Vede dil aa ve dukh sukh tere naal folna  
Vas jave tu meri ankhya de vich dolna  
Vede dil aa ve dukh sukh tere naal folna  
Kyo hoy a beparvah na sajna tadfa  
Tere baju mile na rah  
Vas jave tu meri ankhya de vich dolna  
Vede dil aa ve dukh sukh tere naal folna  
Dukh sukh tere naal folna..  
Dukh sukh tere naal folna..

Jadon main tere naal laaliya main yaariya  
Kat naiyo hundiya rata mithu kaliya  
Rab hi jaane tere baju mera ki ae haal  
Ishq samandar dube jaane kar koi hi yaar  
Meri zind meri jaan tere utte kurbaan  
Nana tere honge main kade v num  
Has has pee javanga tere saare gham  
Tere saare gham..tere saare gham..  
Tere saare gham..tere saare gham..

Socha teriyaan socha mainu rendiya ne yaar  
Aajaa mulvatnanu kara minnata so so vaar  
Socha teriyaan socha mainu rendiya ne yaar  
Aajaa mulvatnanu kara minnata so so vaar  
Tu mere dil di raani main tere dil da raja  
Taniu bulave dil soniye tu nele aa jaa  
Vas jave tu meri ankhya de vich dolna  
Vede dil aa ve dukh sukh tere naal folna
