Jaan meri ghabrati hai  
Saans bhi tham si jati hai

Ishq se koi badi nahi nehmat hai  
Ishq hi sabse badi bas daulat hai  
Ishq hi to sabke dil ki mannat hai  
Is jaha me ishq hi sabki jannat hai  
Bichhad na jaye tumse dar lagta hai  
Mujhko chhupa lo dil me dil kahta hai  
Sonu ya jagu dekhu bas yahi sapna  
Jaisa hai hal tera waisa hai apna  
Jaisa hai hal tera waisa hai apna  
Sathiya sathiya sathiya sathiya

Saans bhi aane se pahle  
Ab naam tera leti hai  
Dil ki har dhadkan sine se  
Uth ke sada kahti hai  
Dunia ruthe par tu mujhse  
Dunia ruthe par tu  
Mujhse nahi ruthna  
O yaara dil na todna  
O yaara dil na todna  
O yaara dil na todna  
O yaara dil na todna

Ishq ibadat ishq khuda hai  
Mazhab ishq hamara  
Ishq yakeen hai ishq wafa hai  
Ishq habib hamara  
Ishq ka daman ab to yaara  
Ishq ka daman ab to  
Yaara nahi chhodna
