Humne to dil tham tham liya

Janeman diya hai ek dil khuda ne
Kya karu jaan ek do nisane
Janeman diya hai ek dil khuda ne
Kya karu jaan ek do nisane
Chande aaftab hu mai
Chande moh tab hu
Mai aaftab mohtab
Mai dono ka jawab hu
Mai chande aaftab hu
Mai chande moh tab hu
Mai aaftab mohtab
Dono ka jawab hu
To dono ko salam kiya
Dilbara jab tera naam liya
Humne to dil tham tham liya
Dilbara jab tera naam liya
Humne to dil tham tham liya

Chhodiye aaji ye berukhi to chhodiye
Dekhiye kisi ke dil ko yu na toadiye
Chhodiye aaji ye berukhi to chhodiye
Dekhiye kisi ke dil ko yu na toadiye
Ye mana tum ho najni
Ye mana tum ho mahajubi
Mager na dunga dil tumko
Tum kisi ke bhi nahi
Hazar ko gulam kiya

Dilbara jab tera naam liya
Humne to dil tham tham liya
Dilbara jab tera naam liya
Humne to dil tham tham liya

Meheraba hume bhi aati hai aadye
Soch ke jara milaiye nigahe
Meheraba hume bhi aati hai aadye
Soch ke jara milaiye nigahe
Nigahe hum mila chuke
Ye gul to ab khila chuke
Tere liye e sangate
Ye zindagi luta chuke
Nigahe hum mila chuke
Ye gul to ab khila chuke
Tere liye e sangate
Ye zindagi luta chuke
To kya bada kaam kiya
Dilbara jab tera naam liya
Humne to dil tham tham liya
Dilbara jab tera naam liya
Humne to dil tham tham liya.
