

Disco Deewane Lyrics

English

There's something about tonight
Something very special
Something about the
Way you move that thing
Something very special
Something about the
Way you have made
Something very special
There's something about tonight
Something very special

There's something about tonight
Something very special
Something about the
Way you move that thing
Something very special
Something about the
Way you have made
Something very special
There's something about tonight
Something very special

Here we go
Sari ki sari duniya bhula ke
Main toh tere naal nachna
Baby you're so sexy

Boy you could be
My one and only
Main toh tere naal nachna
Then i see you lookin' on me
Aaja baat kar le dil ki
Hone lagenge afaane
You know it so sing it
Now do your hands up and say

Disco deewane
Aahan aahan
Ho disco deewane
Aahaan ahaan ho
Nasheeli hai raat
Ho haathon mein haath
Naachein gaayein saath
Disco deewane
Aahaan ahaan ho

There's something about tonight
Something very special
Something about the
Way you move that thing
Something very special
Something about the
Way you have made
Something very special
There's something about tonight
Something very special

Ho hai na
Mujh pe nazar teri
Aankhon hi aankhon mein
Baatein hoti hain
Aaja baahon mein aa meri
Aise hi to raatein
Shuru hoti hain

Kabhi kabhi pal do pal mein yun
Fussy fussy baatein hoti hai
Do hi mulaqaton mein
Mil jaate hain zamaane
Disco deewane

You know it so sing it
Now go your hands up and say

Disco deewane
Aahan aahan
Ho disco deewane

Aahaan ahaan ho
Nasheeli hai raat
Ho haathon mein haath
Naachein gaayein saath
Disco deewane
Aahaan ahaan ho

Khel ja raaton ka
Khel yeh todi de
Jhoom ja bahon mein toh
Aa gaya meri thodi de
Nazron se hi main aahaan
Tujh ko samjha doonga aahaan
Raat baaki hai sari
Hosh udda de bas thodi de

You know it so sing it
Now go your hands up and say

Disco diwane
Aahan aahan
Ho disco deewane
Aahaan ahaan ho
Nasheeli hai raat
Ho haathon mein haath
Naachein gaayein saath
Disco dewane
Aahaan ahaan ho

There's something about tonight
Something very special
Something about the
Way you move that thing
Something very special
Something about the
Way you have made
Something very special
