Chunri ko samjhale mukhda tera chupati hai
Lat tere galo par jhum jhum kar aati hai
Lat tere galo par jhum jhum kar aati hai
Nagan ko jara idhar kar lu kar lo ji
Ankho me aaj tujhe bharlu bhar lo ji

Purab ka sandesha jab purwayi lati hai
Purab ka sandesha jab purwayi lati hai
Tham jaye dhadkan bhi nind pyar ko aati hai
Kandhe pe sar apna dhar lu dhar lo ji
Do bate pyar bhari kar lu kar lo ji

Soyi hui barso ki jagi aj mohabbat hai
Soyi hui barso ki jagi aj mohabbat hai
Ankho ko na jane kyu ab teri jarurat hai
Is dil me dil apna dhar lu ha dhar lo ji
Ankho me aaj tujhe bharlu bhar lo ji
Kar lu kar lo jo
Ankho me hu hu hu kar lo ji.
