All you lovers all over the world, lovers

I love it ..this feeling,  
It's crazy ye kya nasha hai, par  
Zaalim zamana kahe,  
Mohabbat ek saza hai!  
Uff baarish ko girne do,  
Khud ko main rok na pata,uff  
Galiyon mein phirne do,  
Haath mein leke khushiyon ka chaata  
I love it..this feeling  
Crazy feeling's got me reeling,  
I love it..this feelin!..woo!

Iss taale ki chaabi ko tu jeb mein rakh,  
Kyunki kya pata kab chamak jaye tera luck,  
Jab you & me raazi, toh phir kya shaq,  
Just give it to me baby, i don't give a flying \*\*\*\*
