## English

Tu hi dikhe har jagah  
Jeene ki hai tu wajah  
Sochu hamesa tujhko hi  
Khudh me tujhe dhundhata  
Aisi duriya sahu  
Khud to kis tarah  
Khali sardardiya sahu  
Khud to kis tarah  
Aisi duriya sahu  
Khud to kis tarah  
Khali sardardiya  
Sahu khud to kis tarah

Aankho se hokar  
Mere dil talak  
Jaye tere sab rasate  
Samil mujhi me puri  
Tarah tu hai  
Mere vaasate  
Aankho se hokar  
Mere dil talak  
Jaye tere sab rasate  
Samil mujhi me  
Puri tarah tu hai  
Mere vaasate  
Sun le meri aarzo

Dil me basi sirf tu  
Mahsus hota hai mujhe  
Tu hai tabhi mai bhi hu  
Aisi duriya sahu  
Aisi duriya sahu  
Khud to kis tarah  
Khali sardardiya sahu  
Khud to kis tarah

Aisi duriya sahu  
Khud to kis tarah  
Khali sardardiya sahu  
Khud to kis tarah  
Aisi duriya sahu

Tu nakhuda tu hi maharba  
Tere karam ki chahate  
O modh kaisa bhi  
Bakhuda deti hai rahate

Tu nakhuda tu hi maharba  
Tere karam ki chahate  
O modh kaisa bhi
