

Dost Milte Hain Lyrics

English

Dost milte hain bichhadne ke liye
Phul khilte hain bikharne ke liye
Aashiya bante ujadne ke liye
Abb samajh aaya ke duniya kya hai
Abb samajh aaya ke duniya kya hai

Ik ubal tha ik junun tha
Mere jism me garm khun tha
Socha kuchh nahi bas nikal gaya
Apni aag me khud hi jal gaya
Apni aag me khud hi jal gaya
Dhup chadhati hai utar jati hai
Mauj sahil pe thahar jati hai
Bat bhi had se gujar jati hai
Abb samajh aaya ke duniya kya hai
Abb samajh aaya ke duniya kya hai

Har taraf yaha maut hai ravan
Zindagi mujhe layi hai kahan
Dekha aaina toh mai dar gaya
Jine ke liye kitna mar gaya
Jine ke liye kitna mar gaya
Vakt jadu hai yeh chal jata hai
Rup kaa rang bhi dhal jata hai
Tap ke loha bhi pighal jata hai

Abb samajh aaya ke duniya kya hai
Abb samajh aaya ke duniya kya hai
Duniya kya hai duniya kya hai.
