

Dus Bahane 2.0 Lyrics

हिंदी

Yeah here we go again
Attempting original
And better then earlier

Trend setting heart breaking

Here now Here now
Everybody put your hands up
In the air now
Here now Here now
लिरिक्सबोगी.कॉम
Everybody put your hands
All up and say

उसकी आँखों में बातें
बातों में जादू
Say Here now Here now
Say Here now Here now

उसकी आँखों में बातें
बातों में जादू
जादू में खो गए हम
हो गए बेकाबू

I looked at you you looked at me
और हो गयी मुश्किल
And you became my destiny
तू ही मेरी मंजिल

दस बहाने दस बहाने
दस दस दा दा..

दस बहाने करके ले गए दिल
ले गए दिल
दस बहाने करके ले गए दिल
ले गए दिल
दस बहाने करके ले गए दिल
You stole my heart from me

She is in bed like A fire

जाने हुआ है क्या
मैं तो हो गई लापता
लापता

तूने ना जाने क्या
जादू किया है क्या पता
Like the magic baby
क्या पता, ओह या

I looked at you you looked at me
और हो गयी मुश्किल
And you became my destiny
तू ही मेरी मंजिल

दस बहाने करके ले गए दिल
ले गए दिल
दस बहाने करके ले गए दिल
ले गए दिल
दस बहाने करके ले गए दिल
You stole my heart from me
दस बहाने करके ले गए दिल

Everybody put your hands up
In the air now
Here now Here now.

Here now, here now
Everybody put your hands up in the air now
Here now, here now
Everybody put your hands all up and say

Uski aankhon mein baatein
Baaton mein jaadu
Say here now, here now

Say here now, here now

Uski aankhon mein baatein
Baaton mein jaadu
Jaadu mein kho gaye hum
Ho gaye bekaabu

I looked at you, you looked at me
Aur ho gayi mushkil
And you became my destiny
Tu hi meri manzil

Dus bahane, dus bahane
Dus dus dus... da...

Dus bahane karke le gaye dil, le gaye dil
Dus bahane karke le gaye dil, le gaye dil
Dus bahane karke le gaye dil
You stole my heart from me

Dus bahane karke le gaye dil, le gaye dil
Dus bahane karke le gaye dil
You stole my heart from me

Ye dil toh pehle aisa nahin tha
Kisne behkaya, aisa sapna dikhaya kyun?
Ye aankhein meri dekhe usi ko
Soche bina hi usey apna banaya kyun?

Jeena to marne se
Ab hai kahi mushkil
Khud ko jo khoya to
Woh ho gaya haansil

Dus bahane karke le gaye dil, le gaye dil, aye aye!
Dus bahane karke le gaye dil
You stole my heart from me

Dus bahane karke le gaye dil, le gaye dil
Dus bahane karke le gaye dil

I looked at you, you looked at me
Aur ho gayi mushkil
