Chahe mere jaan le le

Aarzoo ho jaise waise imtihan le le

Eik wari nai sau wari

Tainu pyar karan mein lakh wari

Inj pyar kise nai karna

Inj hor kise nai marna

Neendain jo apni urale

Dil kar de tere hawale

Bechain koi mujh sa na ho gaa

Saanson mein tujh ko basa le

Chahat mein khud ko meeta le

Deewana aisa dekha na ho gaa

Deewangi meri yeh bekhodi meri

Kaash tu yeh jane tu yeh jindarey meri

Eeik wari nai sau wari

Tainu pyar karan mein lakh wari

Inj pyar kise nai karna

Inj hor kise nai marna

Ae kash chup mein na rehta

Kehna tha jo pehle kehta

Doori ka aisa dukh mein na sehta

Tujhko jo ehsaas hota

Tu jo mere paas hota

Mein yon na gham ki lehron mein behta  
Tere naal chal waikhan pyar di chal waikhan  
Zindigi mein apni tainu eik pal waikhan

Eeik wari nai sau wari  
Tainu pyar karan mein lakh wari  
Inj pyar kise nai karna  
Inj hor kise nai marna.
