

Ek Diamond Da Haar Lede Yaar (Title) Lyrics

English

Black meri guth hai naale red mera clip ni
Suit silk da chunni hoyi jaandi slip ni

Black meri guth hai naale red mera clip ni
Suit silk da chunni hoyi jaandi slip ni

Utton chann ton vi chamkeele
Jhumke mere kanna de, channa ve!

Ek diamond da haar lede yaar
Oh my channa ve
Phir bhawein kar layi pyaar thousand vaar
Oh my channa ve
Phir tere naa'm likh daangi
Main apne dil da panna ve, channa ve!

Ek diamond da haar
Haaye mainu lede yaar
Ek diamond da haar lede yaar
Oh my channa ve

Gallan ni karde round round baby
Tere te vaar daange pound pound baby
Meet bros naal bounce bounce baby
Haar milega phir diamond da

Gallan ni karde round round baby
Tere te vaar daange pound pound baby
Meet bros naal bounce bounce baby
Haar milega phir diamond da
Diamond da, diamond da

Gore chitte rang da jawaab na koi
Chadh di umar da hisaab na koi

Gore chitte rang da jawaab na koi

Chadh di umar da haaye hisaab na koi
Nazran mila ke tu padh le sohneya
Akhiyaan de wargi kitaab na koi

Love shuv wali je karni hai gal ve
Chup karke tu mere ishareyan te chal ve

Bas meri tu ik mann lai
Phir sau sau teriyan manna ve, channa ve!

Ek diamond da haar lede yaar
Oh my channa ve
Ek diamond da haar lede yaar
Oh my channa ve

Baby you so cute
You sound like a flute
Why don't you & i
Get together for a shoot

Standing at the bar
Like a film star
When you look at me & smile
I go crazy that's the truth

Baby you so cute
