Taqdeer magar
Kuchh achchi thhi

Kuchh achchi thhi
Madhusudan ke main saath li
Madhusudan ke main saath li
Sajni jo kata har ang mera
Kuchh aur hi nikla rang mera
Sajni jo kata har ang mera
Kuchh aur hi nikla rang mera
Main prem ko samjhi thhi aasaan

Main prem ko samjhi thhi aasaan
Sun kar hogi tum bhi hairaan
Sun kar hogi tum bhi hairaan

Chhedon se mera
Seena hai bhara
Chhedon se mera
Seena hai bhara aa
Haath laga kar dekh zara
Chhedon se bhara

Aa haath laga kar dekh zara
Ab tan kya hai ik taan sakhi

Pritam ke ae ae
Shwaaaas hain ae ae
Jaaaaan sakhi.
