Bahe hawaye  
Haule haule haule

Ek do teen char  
Tere liye chhoda  
Ghar bar albeli nar  
Tere liye chhoda  
Ghar bar albeli nar  
Preet yeh nibhana  
Bhul na jana  
Chori chori o gori aana aana  
Kaise aau main aau main  
Chori chori re  
Dekho chayi hai chandani  
Gori gori re  
Gori gori re  
Sari duniya jage  
Mohe dard lage  
Jhan jhan payaliya  
Mori baje baje

Chhodo chhodo yeh jhutha  
Apne bahane  
Chhodo chhodo yeh jhutha  
Apne bahane  
Todo todo na mere  
Sapne suhane

Chhod ke jhamele  
Hum tum akele  
Aao preet ke khel khele khele  
Ek do teen char  
Ho humne kholi hai kholi hai  
Prem ki dukan  
Sun lo meri jaan  
Ek rapal tera adha rapal mera  
Paav paav rapal  
Pa pa ga ma ma ga

Ek do teen char  
Tere liye kiye hai char mere dildar  
Dil ke tukde kiye hai char masaledar  
Pehla tukda tera dusra mera  
Tisra papa ka chautha mama ka.
