Lyricsbogie.com
Ek ghadi aur theher
Ke jaan baki hai
Tere lab pey mere
Honey ka nishaan baaki hai
Ek ghadi aur theher
Ke jaan baki hai

Shab ke chehre pe chadha
Rang savere ka to kya
Shab ke chehre pe chadha
Rang savere ka to kya
Dhalte khwabon mein
Abhi apna jahaan baaki hai
Ek ghadi aur thehar
Ke jaan baki hai

Yoon bichhad ke tu
Mujhse na saza de khud ko
Yoon bichhad ke tu
Mujhse na saza de khud ko
Abhi haathon se tere
Jurm gunah baaki hai
Ek ghadi aur thehar
Ke jaan baaki hai

Khilte phoolon ka fasana
To bas bahana tha
Aakhilte phoolon ka
Fasana to bas bahana tha
Bujhte sholon ki
Daastan abhi baaki hai

Ek ghadi aur theher
Ke jaan baaki hai

Aankhein sooni hain meri
Maang ujdi hai to kya
Aankhein sooni hain meri
Maang ujdi hai to kya
Abhi hathon mein mere
Rang he na baaki hai
Abhi hathon mein
Mere rang he na baaki hai
Ek ghadi aur theher
Ke jaan baaki hai

Tere lab pe mere hone
Ka nishan baaki hai
Ek ghadi aur theher
Ke jaan baaki hai.
