Bottal chhad bhar balty peela
Kaise na hoga
Main hoon back snova
Bade aaye
Kaise na hoga baby
Kaise na hoga

Ho waqt tere te seke na main chhali
Ho naam ke gaile ruk jandi ye delhi
Haan te tu hai full jhali
Ho ek papi vich pat jayegi delhi

Ho kudiye

Haye fighter jait mangwa wa ga
Kokpit main bithava ga
Londan shandan pairis venice
Yala habibi dhikhavaga
Chal hat

Hunn tainu kohinoor puvadoon
Tere mere roke main
Phir tu ik baar rus gayi to
Mar jawanga moke te

Lambi lambi fekta hai
Ghoor ghoor ke dekhta hai
Main hoon sexy shoni kudi
Tu ankhein apni sekta hai

Tujhse na hoga
Tujhse na hoga
Kaise na hoga baby
Kaise na hoga

Kyun tu banta hai shekh chilli
Ek pappi mein jaake girega delhi
Ikka ravengi ni tu kalli
Ho de pappi le pappi billo nalli
Hunn da tu de de mainu pappi
Khud hi main taa tur jawanga delhi

Ho chhad jaa ho kudiye kithe challi
Ik pappi mein paar pochava delhi
Ni aa jaa ve.
