English

Aasmaan mein soyi ye duaan ki zubaan hai
Tera ishq bhi mera ab rehnuma hai
Lyricsbogie.com
Faaslo ko dooriyo ko raah na milegi
Haath ki lakeero mein tera nishaan hai
Tera nishaan hai..
Lab pe bas yahi baat rab se maangu din raat
Ek tera saath..ek tera saath..
Ek tera saath..ek tera saath..
Ek tera saath..ek tera saath..
Ek tera saath..ek tera saath..

Mohabbat se bharke saato samndar
Saanso mein meri shaamil tu karde
Tere bina main adhura hoon kabse
Mujh mein utar ke muqamall tu karde
Muqamall tu karde
Sajde mein hai jazbaat
Paayi jab se saugaat
Ek tera saath..ek tera saath..
Ek tera saath..ek tera saath..

O zameen se falak ka naqaba utha ke
Chhupa du tujhe main kahin door jaake
Mannato ke dhaage chal khol aaye
Khudai bhi khush hai humko mila ke
Hum ko mila ke..
Roshan hai tujhse hayaat
Chahe ab ye lamhaat
Ek tera saath ek tera saath
Ek tera saath ek tera saath
Ek tera saath ek tera saath
Ek tera saath ek tera saath..
