Take a loan, take a loan, don't you stop

Puri kar le saare apni shauk

Aa la la la la la, make your life rock

Take a loan, take a loan, on the spot

Take a loan, take a loan, don't you stop

Aa la la la la la, make your life rock

Tera batwa jo ho khali, aur aajaye diwali

Mange tujhse gaadi gharwali

Tu tension kyun hai leta, jab bank paisa hai deta

Thoda thoda kar ke bhartha ja

Got the money with me and i m freaking now
No family no friends nobody reaching now
A whole lot of tensions i can do without
Move without, baby i would be grooving now
Hey yo, i aint gonna take the shit
No more, i ll make it happen bit by bit
So i, rang my bank on the phone
They say, i got a bring a proof along

Lo jala patake, sapno ke ghar mein jake
Kyun itna sooch pyaare, baad aage
Aayi bachcho ki shaadi, hai bank kismat ki chabbi
Jo tumko dethi hai yeh aazadi
Ki bhar tu
Emi, haan ha sahi hai bhai
Emi, ek dum sahi hai bhai

Take a loan, take a loan, on the spot
Take a loan, take a loan, don't you stop
Puri kar le saare apni shauk
Aa la la la la la, make your life rock
Take a loan, take a loan, on the spot
Take a loan, take a loan, don't you stop
Puri kar le saare apni shauk
Aa la la la la la, make your life rock

Umm..
Har kadam hun teri humsafar
Saath tera dun mein umr bhar
Pass mere tu aa, bahon mein tum kho jaoo
Pal hasin na jane doo
Emi, ek dum sahi hai bhai
Emi, haan ha sahi hai bhai

Take a loan, take a loan, on the spot
Take a loan, take a loan, don't you stop
Puri kar le saare apni shauk
Aa la la la la la, make your life rock
Take a loan, take a loan, on the spot
Take a loan, take a loan, don't you stop
Puri kar le saare apni shauk
Aa la la la la la, make your life rock

Aare friends, brothers, sisters, countrymen
Lelo, ek baar lelo
Iske lene mein koi tension nahin
Hey kya huwa re?
Hey de re usko karcha pani ko
Aaji aap tension mat lo
Account secure hai
Aapne tho paise dede hai,
Emi liya hai tho chukana padega baap.
