Ke sapnon ko sulga le
Yaadon mein machlein
Talwarein aaja oo ajmaale
Be hawabaazi mein
Pad na jaayein
Lene ke dene re ho

Enne unne ho gaya
Sab enne unne re
Hey enne unne ho gaya
Sab enne unne re
Hey enne unne ho gaya
Sab enne unne re
Enne unne enne unne re
Enne unne enne unne re
Chi ghamasan

Karke solah singaar
Bahar niklo na sarkar
Chauk pe gunde
Chele sab ghoomo
Leke hathiyar
Karke solah singaar
Bahar niklo na sarkar
Chauk pe gunde
Chele sab ghoomo
Leke hathiyar

Chhaila na ban faansi
Chadhi hai gunda

Gunda goli
Khake mare hai
Chhaila na ban
Faansi chadhi hai gunda
Gunda goli khake mare hai
Tab na samjho humko
Koi aune paune re

Sab enne unne ho gaya
Sab enne unne re
Sab enne unne ho gaya
Sab enne unne re
Sab enne unne ho gaya
Sab enne unne re
Enne unne enne unne re
Enne unne enne unne re

Bookni bookni kar diya re

Ye raat darad ye joban
Har ghoont ghoont
Hum niglein jurum

Ye raat darad ye joban
Har ghoont ghoont hum niglein
Tujhe silwat silwat chakhne
Hum bara bara bik le
O raat bitaye beimanwa
Tu janne tanne re

Sau feesadi shartiya
Hum kar denge ilaaj
Chhoot gayi jo koi kasar
Toh keh dena tum aaj

Sau feesadi shartiya
Hum kar denge ilaaj
Chhoot gayi jo koi kasar
Toh keh dena tum aaj
Kalla ghar bulwa denge

Dhatt badmash

Hey ghar bulwa karwa denge ho

Hey ghar bulwa karwa

Denge jaadu tone re

Sab enne unne ho gaya

Sab enne unne re

Sab enne unne ho gaya

Sab enne unne re

Sab enne unne ho gaya

Sab enne unne re

Enne unne enne unne re

Enne unne enne unne re

Ho chhod ke gudde

Gudiya jo ho sapne bone re

Bachche ji dilwa denge

Hum naye khilone re

Ho chhod ke gudde

Gudiya jo ho sapne bone re

Bachche ji dilwa denge

Hum naye khilone re

O bachche ji dilwa denge

Hum naye khilone re

Arey sapno ki jaat farebi

Arey sapno ki jaat farebi

Kuchh bodam khapti kar de

Aabar tabar dil ki

Teri purgi jab ki kar de

Taasa tamba beche

Kehke chaandi sone re

Sab enne unne ho gaya

Sab enne unne re

Sab enne unne ho gaya

Sab enne unne re

Sab enne unne ho gaya

Sab enne unne re

Sab enne unne ho gaya

Sab enne unne re
Sab enne unne ho gaya
Sab enne unne re
Enne unne enne unne re
Enne unne enne unne re
Ka baat.
