## English

Haji on the beat,

Old friends new enemies,  
Old friends old friends new enemies,  
Old friends new enemies,  
Old friends old friends new enemies,

O mere yaar si yaar si yaar si,  
Hunn pith piche karde vaar,  
Par ik samay hunde mere yaar si,

O mere yaar si yaar si yaar si,  
Vairi banan ton pehlan pehlan,  
Hunde mere yaar si,

Jinha nu dita si pyar,  
Oh mere naal karge dhokha,  
Dasde kehde te,  
Hunn main karan bharosa,

Pith piche sher wang,  
Vairiya bolna sokha,  
When they see me,  
Fer kuch kehna aukha,

Jehde hunde mere naal si,  
Hunn disde na aase paase,  
Kade hunde mere khaas si,  
Hunn tutte jiwein kache dhaage,

Main turr gaya aage yaar rehge,  
Mere piche taniyo jar naiyo hunda,  
Taniyo piche mainu khiche ki karan bachare,  
Jehde sochde ne nikke hunn chadeya ohna nu,

O mere yaar si yaar si yaar si,

Hunn pith piche karde vaar,  
Par ik samay hunde mere yaar si,

O mere yaar si yaar si yaar si,

Vairi banan ton pehlan pehlan,  
Hunde mere yaar si,

Old friends new enemies,  
Old friends old friends new enemies,  
Old friends new enemies,  
Old friends old friends new enemies,

Old friends new enemies,  
Two shorts that are handsy,  
Yeah caught you boy straight feeling right,  
Yeah damn right that's the remedy,

Haters act like they're feelin' me,  
Cause i'm counting my bills they belling me,  
Tell 'em boys don't come around me,  
Cause i just might catch that fellany,

Kinne mere khaas dost,  
Saale nakli nikle,  
Smilin' on my face talk behind my back,  
Mujhe nahi chahiye nakli rishte,

De dunga tujhe do mukke,  
Mere saamne aana magar jhuk ke,  
But the difference between us see,  
I'm a genius & you're a loser cause kyun ke,

Maine mera dream chase kiya,  
Jo bhi main bola woh kar ke woh diya,  
Kaun mujhe rokega kaun mujhe tokega,  
Teri i'm game here this is my year,

Na na mainu koi ni sharam,  
Haan dimaag hai mera garam,  
They used to be my best friends,

Now i don't trust them,  
Aini jalan kyun all of a sudden,

Old friends new enemies,  
Old friends old friends new enemies,  
Old friends new enemies,  
Old friends old friends new enemies,

O mere yaar si yaar si yaar si,  
Hunn pith piche karde vaar,  
Par ik samay hunde mere yaar si,

O mere yaar si yaar si yaar si,  
Vairi banan ton pehlan pehlan,  
Hunde mere yaar si,

Mere yaar si,
