

Famous Lyrics

English

Aaj mujhe yaad aaya ki main famous
Tere saath rehta toh kyun bhool jaata hu
Namaste haters see you later
Ab wo jal rahe to phir main kya karu

Tere bhai ka naam kya hai?

Fame chadi sir pe nahi top jaise everest
Average baatein hum karte nahi
Pakistan se bhi aate hai fan mail
Australia mein fan base more like a family
Maybe that's why she calls me daddy

Free cheezein brand mujhe bheje
Bank account mein badh gayi
Ek aur digit mera number hai busy
Log phone kare mujhe din raat bin baat
Lyricsbogie.com
Mere manager ke paas mera sim card
Main hu yeah bandi meri kim kard

Sone bhi na deti tu chain se
Tu chaahti hai sab kuch fancy
My time is money and baby you're so expensive
It's been hard

Pant house sabse upar wala level
Cheezein badli jaldi jaldi jaise
Maine sign kari deal with the devil

Tum bhool gaye ki main famous
Bolne se accha tumhe gaa ke sunata hu
Bombay se sidhe tere playlist
Ye saare chahe mujhe
Par tumhe main chahta hu

Mere level pe nahi hai tu
I know and you know it too
Tere liye ye gaana hai flex
Mere liye ye gaana hai truth
F*ck it!

C'mon get in the benz
Car to the plane seat in under 10
Flying to the next gig, yo i'm busy
This plane don't crash
My fans are with me

Kaun pehle tha nice
Kaun rude mujhe yaad hai
6.856 apni roots mujhe yaad hai

Kya hua mere saath kab
Kuch bhi puch mujhe yaad hai
Jo kiya tha maine mehsoos
Mujhe yaad hai

Tabhi humble rehta hai bhai tera
Tabhi circle rehta hai tight mera
Tabhi har pal chalta hai time mera
Tabhi rakha maine doubt kabhi mind mein na

Pehle blue tick sirf the whatsapp mein
Seen pe jo chhodte aaj bole whats happening
Pehle chaand the jo eid ke
Mana karte free tickets lete ab kahreed ke

Tum bhool gaye ki main famous
Bolne se accha tumhe gaa ke sunata hu
Namaste haters see you later
Ab wo jal rahe toh phir main kya karu.
